Useful Website for Your Paper

<https://seoulsolution.kr/en>

<http://english.seoul.go.kr/>

Above links have loads of research papers and various fields of study on SMG and its policies. Please refer to the websites and hope it would be helpful for your final research paper.

*Important Notice

-When you submit the paper of SCSP after the program, **Executive Summary** is needed at the cover page of the Paper. It should be around 250~300 words.

Group Presentation Guideline

- Purpose: After absorbing knowledge of SMG and its policies, participants are required to have a group presentation of the given topic.
- Group Topic will be chosen later

Length: Each group has 20 minutes. Make it short and concise. (Each member may present 2 to 5 minutes, all members should present)

- Participation: should engage the attendees
- Format: use PPT
- Submission: email the PPT file to chriskim4374@uos.ac.kr until 11pm May 21st or bring in the USB drive
- Presentation Organization:
 1. Start with one to two introductory PPT slides that outlines the issue and your group's stance
 2. End with a conclusion slide
 3. Identify policy problems and policy recommendation for SMG
 4. All parts of the discussion (e.g. each individual's piece) should be well integrated.

We'll see you soon!
