South Korean Culture

S. Korea

Very small, not many/much resources, Japanese colonial, Korean war, dictatorship, and Korean style democracy....

- Very strong desire to success (investment in education)
- Competition everywhere (just do it, do it well & very fast to win the race) and everybody is busy working

Confucianism vs modern culture

- Very communal and collectivistic, strong social norm, hierarchical
- Very strong individualism, do not bother others..

S. Korea has its own things, just like all other countries

- **Please do not feel offended by**
 - People asking your age.
 - people walking fast and over taking/cutting across you without saying 'Excuse me' or 'Sorry'.
 - people slightly pushing you on the street or in the subway without saying 'Excuse me' or 'Sorry'.
 - people not holding doors for you.

S. Korea has its own things, just like all other countries

- **Please do not feel offended by**
 - people staring at you.
 - People not smiling back to you.
 - people covering their mouths when they laugh/speak
 - people not making eye contact when talking to you

When you travel to other countries...

Please do not your U.S. framework/Standard

- But, try to understand or at least to see
- Everybody is different/unique, please not to stereotype people, culture, or social/political system
- Remember, your experience is just a sample of one to not generalize your opinion
- Be open minded, and respectful
- If you do not know what to do, observe what people at the moment and imitate

Something you may want to try....

What else you can do?

- Try some Korean food that you have never tasted/known
 - at least something other than Bibimbap/bulgogi
- Visit Dong-dae-moon night market area
- Use public transportation (subway & buses)
 - Buy a transit card during the visit
 - Transfer discount across public transportation within 30 mins/ except taxi
- Visit other areas (only if you can take time)

Questions?

**Meet you in person on Saturday, October 1st
9:30 am -11:30 am in UCF downtown!**
